

## **IT Power Consultants opens new office in Dortmund**

Berlin, September 2008 – On September 1<sup>st</sup>, 2008 IT Power Consultants opened a new office in Dortmund. The Westphalian subsidiary is located in the TechnologieZentrum Dortmund (TZD). It is the second subsidiary besides the headquarter in Berlin.

“Opening a new office in the Westphalian metropolis should especially be a contact point for our customers in West-Germany.” said company’s founder and chief executive officer Sadegh Sadeghipour. “Furthermore, we want to offer our services in the fields

- Requirements management
- Systematic testing and
- Model-based software development

to all suppliers and companies which are working in the automotive branch of the region.” explains Mr. Sadeghipour. The office within the TechnologieZentrum Dortmund fulfils exactly the innovative character of IT Power Consultants.
